### Chapter 1 by betty qistina

Dream

The same dream again

Of an angel, small angel

Smiling and looking at me

He looks familiar

Seems he tries to tell me something

I tried to get nearer to him

But as I get nearer he seems getting away

Farther and farther he goes

Chasing him just getting he much farther

I feel short of breath

Panting for air as he started to faded

I never get to hear what

Never get to know what

Heard a knocking

When I wake up and understand

Or was it really a dream

Or it was a lost memory
